PRINTABLE CHECKLIST

Six-month kit check

Run through this each spring and autumn, when the clocks change.

- [ ] Torches work; batteries are not corroded
- [ ] Spare batteries are in date
- [ ] Power banks recharged to full
- [ ] Radio works and stations are still noted down
- [ ] Water is in date and containers are sound
- [ ] Food is in date; swap anything close to expiry into the kitchen
- [ ] Medicines are in date and the written list is current
- [ ] First aid kit restocked
- [ ] Cash still there, in small notes and coins
- [ ] Contact sheet numbers still correct
- [ ] Smoke and carbon monoxide alarms tested
- [ ] Everyone at home knows where the kit is
